I understand that under the terms of this agreement the school obligates itself to furnish me with a competent instructor and facilities for the teaching of the lessons and that the agreement can not be canceled. The length of time allocated for the lessons is prorated at a minimum of six lessons per month. Failure to take lessons in the allocated time invalidates the lessons beyond that date. It is further agreed that my failure to take all lessons contracted for shall not relieve me of my obligation to pay the total tuition herein agreed upon. I further understand that no refunds for any tuition paid shall be made by reason of my absence or withdrawal. Lessons are not conducted on national holidays unless otherwise specified.

In consideration of being accepted as a member, I, the undersigned, agree to abide by the constitution and by-laws of this organization and all affiliations and the World TaeKwonDo Federation. I, the undersigned, further, release, and forever discharge any and all rights and claims for damages which I may have or which hereinafter accrue to me against School/Club, including its officers, employees, property owners, instructors, etc.; Dactyl Inc.; World TaeKwonDo Federation, including its affiliated associations or its or their respective officers, agents, representatives, successors, and/or assigns, for any and all damages which may be sustained and suffered by me in connection with my association with or entry in any practice, class, contest, examination, demonstration, tournament or athletic event of School/Club, or which may arise of my traveling to, participating in, or returning from such endeavor.

I, the undersigned, further agree to waive any claims against the Red River TaeKwonDo Schools, City of Harwood, Harwood Park Board, Mr. Jim Grimestad, and/or Mr. Joseph Junglas, or assistant instructors connected with TaeKwonDo lessons, demonstrations and/or Tournament Championships for any injuries I may sustain. Red River Traditional TaeKwonDo recommends that all students have a complete physical before starting classes and that all students make use of the available safety equipment on the market. I fully understand that "TaeKwonDo" is a contact sport, and I am responsible for my own medical coverage. I, the undersigned have read and agree with all provisions above.
