# THANK YOU!

**Barb & I want to thank everyone for helping us recover from our house fire.**

**So many people have helped in so many ways that we don't know how to begin our "thank-you list."**

**We want to rebuild in Harwood, if we can comply with all the FEMA requirements involved with rebuilding in a flood plain.**

**Again, there has got to be a more powerful phrase than "Thank-You" to express our feelings... but I can't come up with it right now.**

**So again...Thank-You!**
