

# Willow Erickson Benefit

In May of 2015, Willow was admitted to Sanford Children's Hospital due to febrile seizures. During her hospitalization, she was diagnosed with meningitis after an MRI revealed fluid and inflammation around the lining of her brain and spinal cord.

To learn more about Willow and her story, please visit Willow's CaringBridge site at <http://www.caringbridge.org/visit/willowerickson>.

For additional details regarding the benefit, please contact Amber Dietzmann by phone at 701.330.2821 or email [add3825@gmail.com](mailto:add3825@gmail.com).

To make an online gift, go to [www.dmflendahand.org](http://www.dmflendahand.org), 'Benefit Events' and give to the Lend A Hand fund benefitting Willow Erickson.
